

ilopeli **ilopeli**

The company of Arnaud Urban presented its novelty **Antartik**, a card game by Bruno Cathala and Arnaud Urban for 2-5 play-

ers, ages 5+; players must do show jumps with the penguins without landing on their stomach. A remarkable feature are the cover holograms included with the games, they are also added to the games of **Jurasik** and **Sherlock**.

Jactalea **Jactalea**

In addition to the game of Blue Lion, that was shown in Nuremberg, another new game was presented at Cannes: **Button up!** by Bruno Cathala. 2 players, ages 8+, con-

front each other in the Buttons War, pieces are stacked and redistributed along the circle; when all buttons are stacked in one stack, the game is scored.

Jammette **Jammette**

A dice game on the topic of music, designed by Emmanuel Mallein and Christophe Nouveau. In **Jammette** the dice are showing musical symbols and you roll the dice to set up parameters for the piece of music to play.

Jeux Morin

Under the Risquit Logo François Morin showed his frog game **Ranabag** and also **Derby**, his horse racing game using Lego blocks, at Essen in 2008. In Cannes this year, beside those games, he showed a proto-

type of **Skimetrion**, a game on a tilted board with holes, for 2 players, ages 12+, on the topic of skiing: in order to win you must deploy the the fewest possible figurines along the complete track as fast as you can.

Jeux Opla

In the card game **Pom Pom** by Florent Toscano and Johanna Poncet 2-6 players, ages

6+, embody vegetable and fruit farmers who try to achieve consistent harvests in all of the seasons and to make up pairs of fruit and vegetables of the highest possible value in each round. Distribution: Paille Éditions

JPG Création

BigProd – The booth was listed in the Festival guide under this name and this is one of the names for this game on the topic of film, by Denis Bardiau, Jean-Pierre Bodnar and Emmanuel Malka – as **Big Prod!** it is a family game for 2-5 players, ages 8+, and

by the name of **Silence Moteur Action!** it is the personalized luxury edition. You are a film producer and must produce a successful film, from hiring the crew to the profitable distribution at cinemas.

Kairos

Joseph Honoré had brought along a prototype; **Kairos**, a game on the topic of elections, designed for 3-6 players, ages 12+;

you represent a political party and want to be elected; you place campaign workers in action areas to organize things and features that you will need for success; popularity and corruption scores influence your chances to be elected.

Kourbel

Les Quatre Couleurs Celestes by Mohamed Belmabrouk are a new kind of playing cards which can be used for a broad variety of games. The cards also introduce a new way to take a trick: even or uneven, the sum total of the cards; 40 cards in gold, silver, black and white show numbers from 1 to
